**Half-time Restoration & Water Quality Intern
at Snohomish Conservation District
Lake Stevens, WA**
Washington Conservation Corps/AmeriCorps position

Wage:

Base pay is \$7.35 per hour plus health benefits. The position includes an AmeriCorps Education Award valued at \$2,362.50 after completion of the eleven-month term.

Description:

One half-time position will begin October 3, 2005 and extend through August 31, 2006. Hours and days are flexible. Duties include assisting staff with water quality sampling, data entry, routine equipment maintenance, planting and maintenance of native plants, public events, and environmental education. The position will remain open until filled.

Qualifications:

Applicants must be between the ages of 18 and 25 and have a Washington State Driver's License.

Experience in environmental restoration, ecology, computers, water quality testing, and laboratory skills are desirable. College graduates are encouraged to apply.

To apply:

Interested persons should submit a cover letter, resume and application. An on-site interview is required.
